To the Board of Director of the Art Alliance of Idyllwild, Inc.

I have prepared the Federal and California tax returns for the Art Alliance of Idyllwild, Inc. for the year ending December 31, 2016, as well as the RRF-1 filing for the Attorney General Office. These tax returns report the conclusion of my analysis and review of the Books and Records of the Art Alliance for the period beginning January 1, 2016 and ending on December 31, 2016.

The preparation of the tax return included a review of all Financial Statements prepared internally by the Art Alliance. I was not required to make any adjustments to any bank account balances or material adjustments to the activities of the Organization. While certain adjusting entries have been made as required, there were no activities that required special disclosure as a result of my tax preparation, in my opinion.

The Art Alliance has filed the required 1099 documents to the appropriate government agencies and to the recipients of the Organization. Actual internal procedures and controls were not reviewed by me in detail, and I cannot comment upon them. Ultimately each and every volunteer Organization is only as strong as its volunteers and the procedures required to insure the integrity of its activities.

In conclusion, I am confident that the tax returns prepared by me are an accurate and materially correct representation of the activity of the Organization for the tax period ending December 31, 2016. Furthermore, all bank balances reflected on the tax return are reconciled and balanced.

I will make myself available for comment and questions at a mutually convenient time with the Directors at their request in order to discuss my conclusions in detail, if required.

Respectfully Submitted,
